Communication skills ▪ good communication skills gained through my international experience

Organisational / managerial skills Team work: I have worked in different types of teams – in areas of my professional and personal interests, where team work is necessary for a success.

Job-related skills I am competent to work independently using my personal knowledge and legislative documents in the area of my professional interests.
I have also been a team member and/or team leader in some cases during studies and later in professional career.

Computer skills ▪ Competent to use several Microsoft Office programmes (Word, Excel, Outlook, Power point)
▪ Competent to use Internet

Other skills For 4 years I have been a team leader at the Sarajevo International Airport in Border Police Unit (BPU) teaching about airport security issues, and later obtained different functions within the BPU.
Mediating skills: Working in a team usually requires possession of certain mediating skills, because team work is one constant row of compromises.
Intercultural skills: Participated in different working and expert groups within various projects related to transborder and EU Law Issues showed I am open-minded for interactions with people with
▪ background different than my own.
