WORD OF THE FOUNDER

Dear readers,

It is my great pleasure to introduce to you this study guide to all the study options here at the University of Travnik Faculty of Law. We offer interesting, modern and efficient study options, in our brand new building ensuring a pleasant learning atmosphere. Faculty of Law is part of one of the oldest and largest (by the number of students) private universities in Bosnia and Herzegovina, and since its foundation it has strived to be the leading educational and scientific institutions in the field of law. We are proud of the international awards we have obtained and the achieved level of accreditation. By cherishing and applying the positive experiences from our past, we will continue to build and grow in accordance with modern trends. I'll be glad if something you read in this guide spurs you into choosing to entrust your education at our Faculty of Law.

Sincerely,

prof. dr Ismet Alija

The General Manager and Founder of the Faculty of Law

WORD OF THE DEAN

Dear high school seniors, prospective students of the Faculty of Law of the University of Travnik,

In your hands you hold the Student guide which includes basic information on the Faculty of Law of the University of Travnik and the study opportunities it affords you.

The Faculty of Law is a unique private higher education institution that is increasingly developing into a leader in the field of higher education. Education at this Faculty of Law is carried out using the European and U.S. standards in execution of lectures, exercises, organized study cycles, teaching plans and programs. The concept of study successfully applies the ECTS – system for assessing student success – and is a culmination of a long time effort to develop our own quality assurance system. With the not-so- long tradition, but with strong educational, scientific and research resources, the Faculty of Law has been recognized as an institution that offers quality higher education and good conditions for scientific research.

What is important to emphasize is that our students are employed in various institutions and positions of responsibility in Bosnia and Herzegovina and beyond. The knowledge and the skills they have acquired at the Faculty of Law enabled them to quickly locate optimal work opportunities and gain meaningful employment thus initiating their careers.

prof. dr Mensur Kustura
Dean of the Faculty of Law

ABOUT THE UNIVERSITY

University of Travnik is the first private university established with the support of the Ministry of Education, Science, Culture and Sports of the Srednjobosanski Canton, on the basis of legislation, civilizational achievements and practices the modern world today. Its primary goal is to be a generator of development and prosperity of the Srednjobosanski Canton, but also of the wider area, through rising quality of higher education - both in the central Bosnian region, and across the country.

Through the will of the founders, who, investing their own private capital in material and intellectual values, had the courage to decide to establish private Faculties, a new direction was opened and the outlook of the society on the private founding institutions of higher learning has been changed.

The University is an institution of higher education that has its legal subjectivity. It was first registered in 2007, and has, since carried out its activities in accordance with the Decision of the Ministry of Education, Science, Culture and Sport of the Srednjobosanski Canton, No.: 03-38-63/07 of 04th of July, 2007.

University of Travnik is registered at the Register of higher education institutions of the Srednjobosanski Canton under number 10, on the page 00010, for the 2007./08. Academic year

University of Travnik has five organizational units:

1. Faculty of Law;
2. Faculty of Management and Business Economics;
3. Faculty of Education;
4. Faculty of Technical Studies, and
5. Pharmacy and Medical College.

It is the hardships that demonstrate greatness

STATUS OF THE FACULTY

On the 29th of December, 2009 the Faculty of Law was listed in the Register of the University of Travnik in accordance with the decision of the Ministry of Education, Science, Culture and Sport of the Srednjobosanski Canton. The same Ministry on the 29th of June, 2007 had issued a Permission to begin operations and on that day the Faculty was listed in the Register of Institutions of Higher Education of the Srednjobosanski Canton. After a review by the Ministry in March of 2007 the Faculty was allowed to initiate classes for the next academic year

Since the academic year 2008/09 the Faculty of Law enrolls students at the II cycle of studies (Master studies).

On the 20th of September, 2010 the University completed the integration process, thus becoming one of the few institutions of higher education which conforms to the legal provisions laid down in the framework Law on higher education in B&H.

Since the academic year 2011/12 the Faculty of Law enrolls students at the III cycle of studies (Doctoral studies).

University of Travnik has, on the 11th of May, 2009, received interim Accreditation (no: 03-38-24/09) which was registered at the Register of temporary accredited higher education institutions in B&H. This accreditation is valid until the successful completion of the accreditation process for the University, in accordance with the criteria and procedures of the Agency for Development of Higher Education and Quality Assurance of B&H, which, together with relevant ministries supervise and inspect the validity of the operations of the Faculty of Law, which in turn forms the basis for and the guarantee of the universal validity and acceptability of the degrees granted by the Faculty of Law of the University of Travnik .

Vita brevis ars longa.

EDUCATIONAL ACCOMODATION AND TECHNICAL CONDITIONS

The Faculty of Law of University of Travnik has constant developmental tendencies and strives to perfect itself in all manner possible, and in so doing to allow students to have the most modern educational conditions at the new fully equipped facilities. The Faculty of Law has a new building with over 5.500 square meters of usable space. It is situated near Kiseļjak and some 20 kilometers from the center of the capital city of Bosnia and Herzegovina, Sarajevo. It lies at the border of the Sarajevo and Srednjebošanski Canton. Thus, the Faculty of Law has large amphitheatres, large and small study and lecture halls for classes, exercises, seminars, it has luxuriously equipped offices, a library with a reading hall and an informatics center, a cafeteria and other various accommodations, all of which ensures day long stay at the Faculty. In its efforts to provide even better conditions for its students, the whole of the Faculty is covered with a wireless internet connection. In the spring, the students will have an opportunity to learn in an amphitheater in the open, after which they will be able to take a walk in a stretch of manicured woods, owned by the Faculty.

LIBRARY AND INFORMATICS CENTER

The Faculty of Law of the University of Travnik offers its students a modern, well equipped library with about 7,000 bibliographic reference units. Students have access to the highest quality electronic services, as well as two databases with over 100,000 individual sources. The Library also contains an Informatics Center. The Faculty of Law, as part of the University of Travnik is a noted publisher of university textbooks in the area of legal theory and practice, all of which greatly contributes to the development of higher education in B&H. The curricula of all subjects include textbooks from the top European and American universities, as well as textbooks written by noted professors from the Faculty of Law of the University of Travnik and other Faculties in B&H. University of Travnik publishes a journal titled "University Chronicle," in which the faculty, students and associates have the opportunity to introduce the general public to their scientific work.

Nulla regula sine exceptione.

COOPERATION WITH OTHER INSTITUTIONS

University of Travnik has signed a series of agreements on a bilateral and multilateral basis establishing cooperation with universities in the region, the European Union and the United States. This tendency to create cooperation bonds is in constant expansion and the number of signed agreements increases daily. The Faculty of Law has cooperation agreements with various government and non-government institutions and organizations. Students, during the duration of their study, regularly visit the courts, ministries and self-governing bodies, as well as other relevant institutions such as the Penal/Correctional institution in the City of Zenica (the Faculty of Law is the only institution that has had this kind of cooperation with this institution), the Institute for Intellectual Property of Bosnia and Herzegovina, etc. The Faculty of Law is also frequently visited by famous personalities from the various fields of Law and other social sciences. Statesmen, politicians, scholars, and secular and religious personalities have held and consistently hold lectures and seminars at the Faculty.

During each academic year the Faculty of Law holds several scientific conferences and research seminars on a variety of topics. In addition the Faculty of Law engages in extensive scientific research activities and is often the scene of book promotions by professors from itself, other universities in the country and abroad.

The Faculty of Law runs the Innovation Center for Curriculum Reform for Special Forms of Education and the Development of Corporate Entrepreneurship (ICE), which works to develop new and innovative methods to improve the educational process, and in its operations brings together regional and global experts alike. ICE applied and conducts a variety of projects, including the TEMPUS project of the European Union (in collaboration with five other universities in the region and the EU), which is directly financed by the European Union. sürecini iyileştirmede yeni ve yenilikçi yöntemlerin geliştirilmesinde çalışmakta ve faaliyetleri kapsamında bölge ve dünya uzmanları bir araya getirmektedir. ICE, Avrupa Birliği doğrudan finanse edilen (bölgede ve AB’nde bulunan diğer 5 üniversite ile iş birliği içinde) Avrupa Birliği’nin TEMPUS projesi dahil farklı projeleri başlatıp yürütmektedir.

There are no rules without exceptions.

ASSOCIATION OF THE STUDENTS OF THE FACULTY OF LAW OF THE UNIVERSITY OF TRAVNIK

The Association of the Students of the Faculty of Law of the University of Travnik is a non-partisan and non-governmental association which was founded on the 11th of December, 2010 and which operates with clearly defined goals:

- commitment to the overall development, progress and prosperity of all the students of the Faculty of Law of the University of Travnik;
- commitment to the affirmation of the scientific, cultural and intellectual values of the BH society and the development of a versatile student personality embodying these values, as well as the civilizational heritage of human beings as a species, and
- to advocate for the freedom of scientific, educational and the learning process of the subject of Law at the University of Travnik whilst creating an open dialogue with society.

In achieving these objectives, the Association closely and successfully cooperates with educational and other staff of the Faculty of Law, thus becoming an equally important factor greatly contributing to the general advancement of the study process.

The Association of the Students of the Faculty of Law of the University of Travnik is open to all students who, through their own creativity and ideas, have a desire to realize their potential, and thus want to bring the cultural and social life to the next level.
